

I anno - II semestre

	Lunedì	Aula	Martedì	Aula	Mercoledì	Aula	Giovedì	Aula	Venerdì	Aula
09:00 10:00	Informatics and law (Troncarelli)	Didattica II	Computational statistics and machine learning (Divino)	Didattica II			Networking security and software security (Ferrara)	Didattica II	Networking security and software security (Ferrara)	Didattica II
	Artificial intelligence and law (Ziccardi/Tullio)	B1								
10:00 11:00	Informatics and law (Troncarelli)	Didattica II	Computational statistics and machine learning (Divino)	Didattica II			Networking security and software security (Ferrara)	Didattica II	Networking security and software security (Ferrara)	Didattica II
	Artificial intelligence and law (Ziccardi/Tullio)	B1								
11:00 12:00	Software project management (Fasano)	Didattica II	Cryptography (Ferrara)	Didattica II			Informatics and law (Troncarelli)	Didattica II	Cryptography (Ferrara)	Didattica II
							Artificial intelligence and law (Ziccardi/Tullio)	B1		
12:00 13:00	Software project management (Fasano)	Didattica II	Cryptography (Ferrara)	Didattica II			Informatics and law (Troncarelli)	Didattica II	Cryptography (Ferrara)	Didattica II
							Artificial intelligence and law (Ziccardi/Tullio)	B1		
13:00 14:00										
14:00 15:00					Computational statistics and machine learning (Divino)	Didattica II	Software project management (Fasano)	Didattica II	Computational statistics and machine learning (Divino)	Didattica II
15:00 16:00					Computational statistics and machine learning (Divino)	Didattica II	Software project management (Fasano)	Didattica II	Computational statistics and machine learning (Divino)	Didattica II
16:00 17:00					Computational statistics and machine learning (Divino)	Didattica II	Software project management (Fasano)	Didattica II	Computational statistics and machine learning (Divino)	Didattica II
17:00 18:00										

Insegnamento	Inizio lezioni
Informatics and law (Troncarelli)	02-mar
Software project management (Fasano)	02-mar
Computational statistics and machine learning (Divino)	01-mar
Informatics and law (Troncarelli)	02-mar
Artificial intelligence and law (Ziccardi)	23-mar
Cryptography (Ferrara)	03-mar
Networking security and software security (Ferrara)	09-mar
